Invitation for: Pauline C. Angara & Jamcel A. Chacon, Dentist II

Dear Dr. Gazo,

Warm greetings from the Philippine Pediatric Dental Society Inc. (PPDSI)!

We are delighted to extend a formal invitation to our esteemed colleagues from the national and local government units to participate in the upcoming regional conference with PPDSI and PDA CDO-Misor Chapter. This event will take place on November 5-6, 2025, from 8:00am to 5:00pm at the Mallberry Suites Hotel, Cagayan De Oro. This event will bring together experts in pediatric and general dentistry.

Pediatric oral health is a cornerstone of lifelong wellness, yet disparities in access and quality of care remain widespread—particularly in underserved and rural communities. With the theme “Universal Access, Local Impact: Strengthening Pediatric Oral Health through Primary Care Collaboration with Local Chapters”; this conference is centered around primary care aligned with the Universal Health Care Act. The program empowers general dentists with primary care competencies in pediatric oral health, aligning them more closely with the holistic, preventive care approach traditionally seen in pediatric dentistry.

We are honored to feature a distinguished panel of speakers for pediatric dentistry, including Dr. Gianina Camille S. Gamboa, Dr. Germilyn Krizza C. Go, Dr. Larissa Ann A. Lim, Dr. Arlene De La Cruz-Medina, and Dr. Manuel V. Vallesteros. Their lectures will be centered on empowering dentists with proper skills and knowledge to better serve patients locally and regionally.

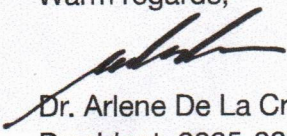

We would be honored to invite you and your fellow dentists from your department to join us for this important event. Your collective participation will not only contribute greatly to the success of the conference but will also provide valuable opportunities for professional growth and collaboration.

For registration and further details, please refer to the attached posters or contact the Registration Committee at ppdsireg@gmail.com. You may also register directly through this link:

Thank you and we look forward to welcoming her to a conference that promises to be both enriching and inspiring.

Warm regards,

Dr. Arlene De La Cruz - Medina
