Re: Invitation for SEPS Beverly Nicolasora to Serve as a Member of the Panel of Reactors during the 2025 Division Research Conference

Dear SDS Gazo:

Praised be Jesus and Mary! I trust this message finds you well.

As part of its advocacy to improve the culture of research to address the pressing issues and resolve bottlenecks within the organization for continuous improvement, this Office, through the Planning and Research Unit (PRU), will be holding the 2025 Division Research and Innovation Conference with the theme *"Research and Innovation: Building Better Schools, Building Better Futures"* at the Division Conference Hall from November 4-5, 2025, at 8:30 in the morning.

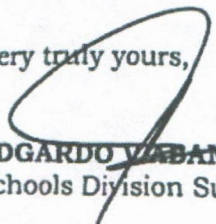

Recognizing the competence of one of the members of your academic village, the undersigned would like to respectfully request the expertise and time of *Beverly Nicolasora, MS, SEPS-Planning and Research* to serve as one of the members of the panel who will evaluate 12 research papers for Concurrent Session B, under the theme- teaching and learning (Math).

Your generous acquiescence with this request will be greatly appreciated as this Office regards the presence of SEPS Nicolasora as immensely contributory to the quality and impact of the conference considering her contributions to the field of education.

Should you have any questions or clarification, please contact the SEPS for Planning and Research, Jayson S. Digamon, EdD, at 09363548815.

Thank you so much, and more power.

Very truly yours,

EDGARDO V. BANIL, CESO V
Schools Division Superintendent
