Ikalawang INA

A Film By Neal "Buboy" Tan

Synopsis

The story of a diligent teacher and a successful businessman, Alghren Eusebio. He is in a quest to search for that teacher, Anastacia Ledesma, that served as his second mother who shaped and guided him to whatever he has reached today.

Mrs. Calma is a cheerful and dedicated teacher. She was an inspiration and loved by her students but her moments turned dark when she was diagnosed with breast cancer. The tragedy that befell her had a great impact on her students. She continued to be their teacher despite what she was going through. Students discovered that apart from family problems, financial and learning conditions at school, one of the major causes of students' worries that affect their studies is the well-being of their teachers because their future depends on them.

Diego, a senior high school student, is a big problem for his teacher Agnes because he often misses class. The reason is their extreme poverty and cruelty of his father, Salvo. Agnes cannot help but be affected by what her student is going through. Like a mother defending her child, she would try to protect him and even give her own food to him.

Nida is a child who has no other wish but to have her own tutor because of her weakness in her studies. Instead of her mother Benilda guiding her, she chooses to not care and spend more time in social media and tiktok. Her nanny tries to teach but all in vain. In search of someone who can serve as her tutor, a tricycle driver invited her to come with him with false pretense to teach her. Luckily she was saved in time. Through a public service TV program, they were united with her mother. The call for child protection became necessary not only in the school but also in their own household.

Alghren finally found his extraordinary teacher Anastacia Ledesma who is now affected with the early signs of dementia. He remembered how she patiently served him, taught him, and defended him when he came to school with slippers instead of shoes because of a wound on his heel. She was always an inspiration to him up until now. That is why he bestowed on her the Lifetime Education Award to serve as an inspiration to others too.
